TESSERA STUDIOS - since 2017

Tessera Studios is a video game development team founded in 2017 and based in Madrid, Spain.

Since then, the members of the studio, animation, art, programming and game design specialists, have worked to create new stories and bring their talent and dedication to game development.

Intruders: Hide and Seek, the first of them, was recognized with the **Fun and Serius Titanium 2017 Best University Game**, **GameLab Best Game for the Public 2019**, **South by Southwest Festival (SXSW) Best Gaming Pitch in Austin 2017**, **SXSW Gamer's Voice Award**, **best VR Game 2019**, **Best Press Game** and **Best Game of the Year in the PlayStation Talents**, an initiative dedicated to recognize and support the emerging talent within the Spanish video game industry.

ABOUT US

TESSERA
STUDIOS

On 13 February 2019, Tessera Studios' **Intruders: Hide and Seek** was released worldwide, announced by PlayStation Spain and PlayStation.com.

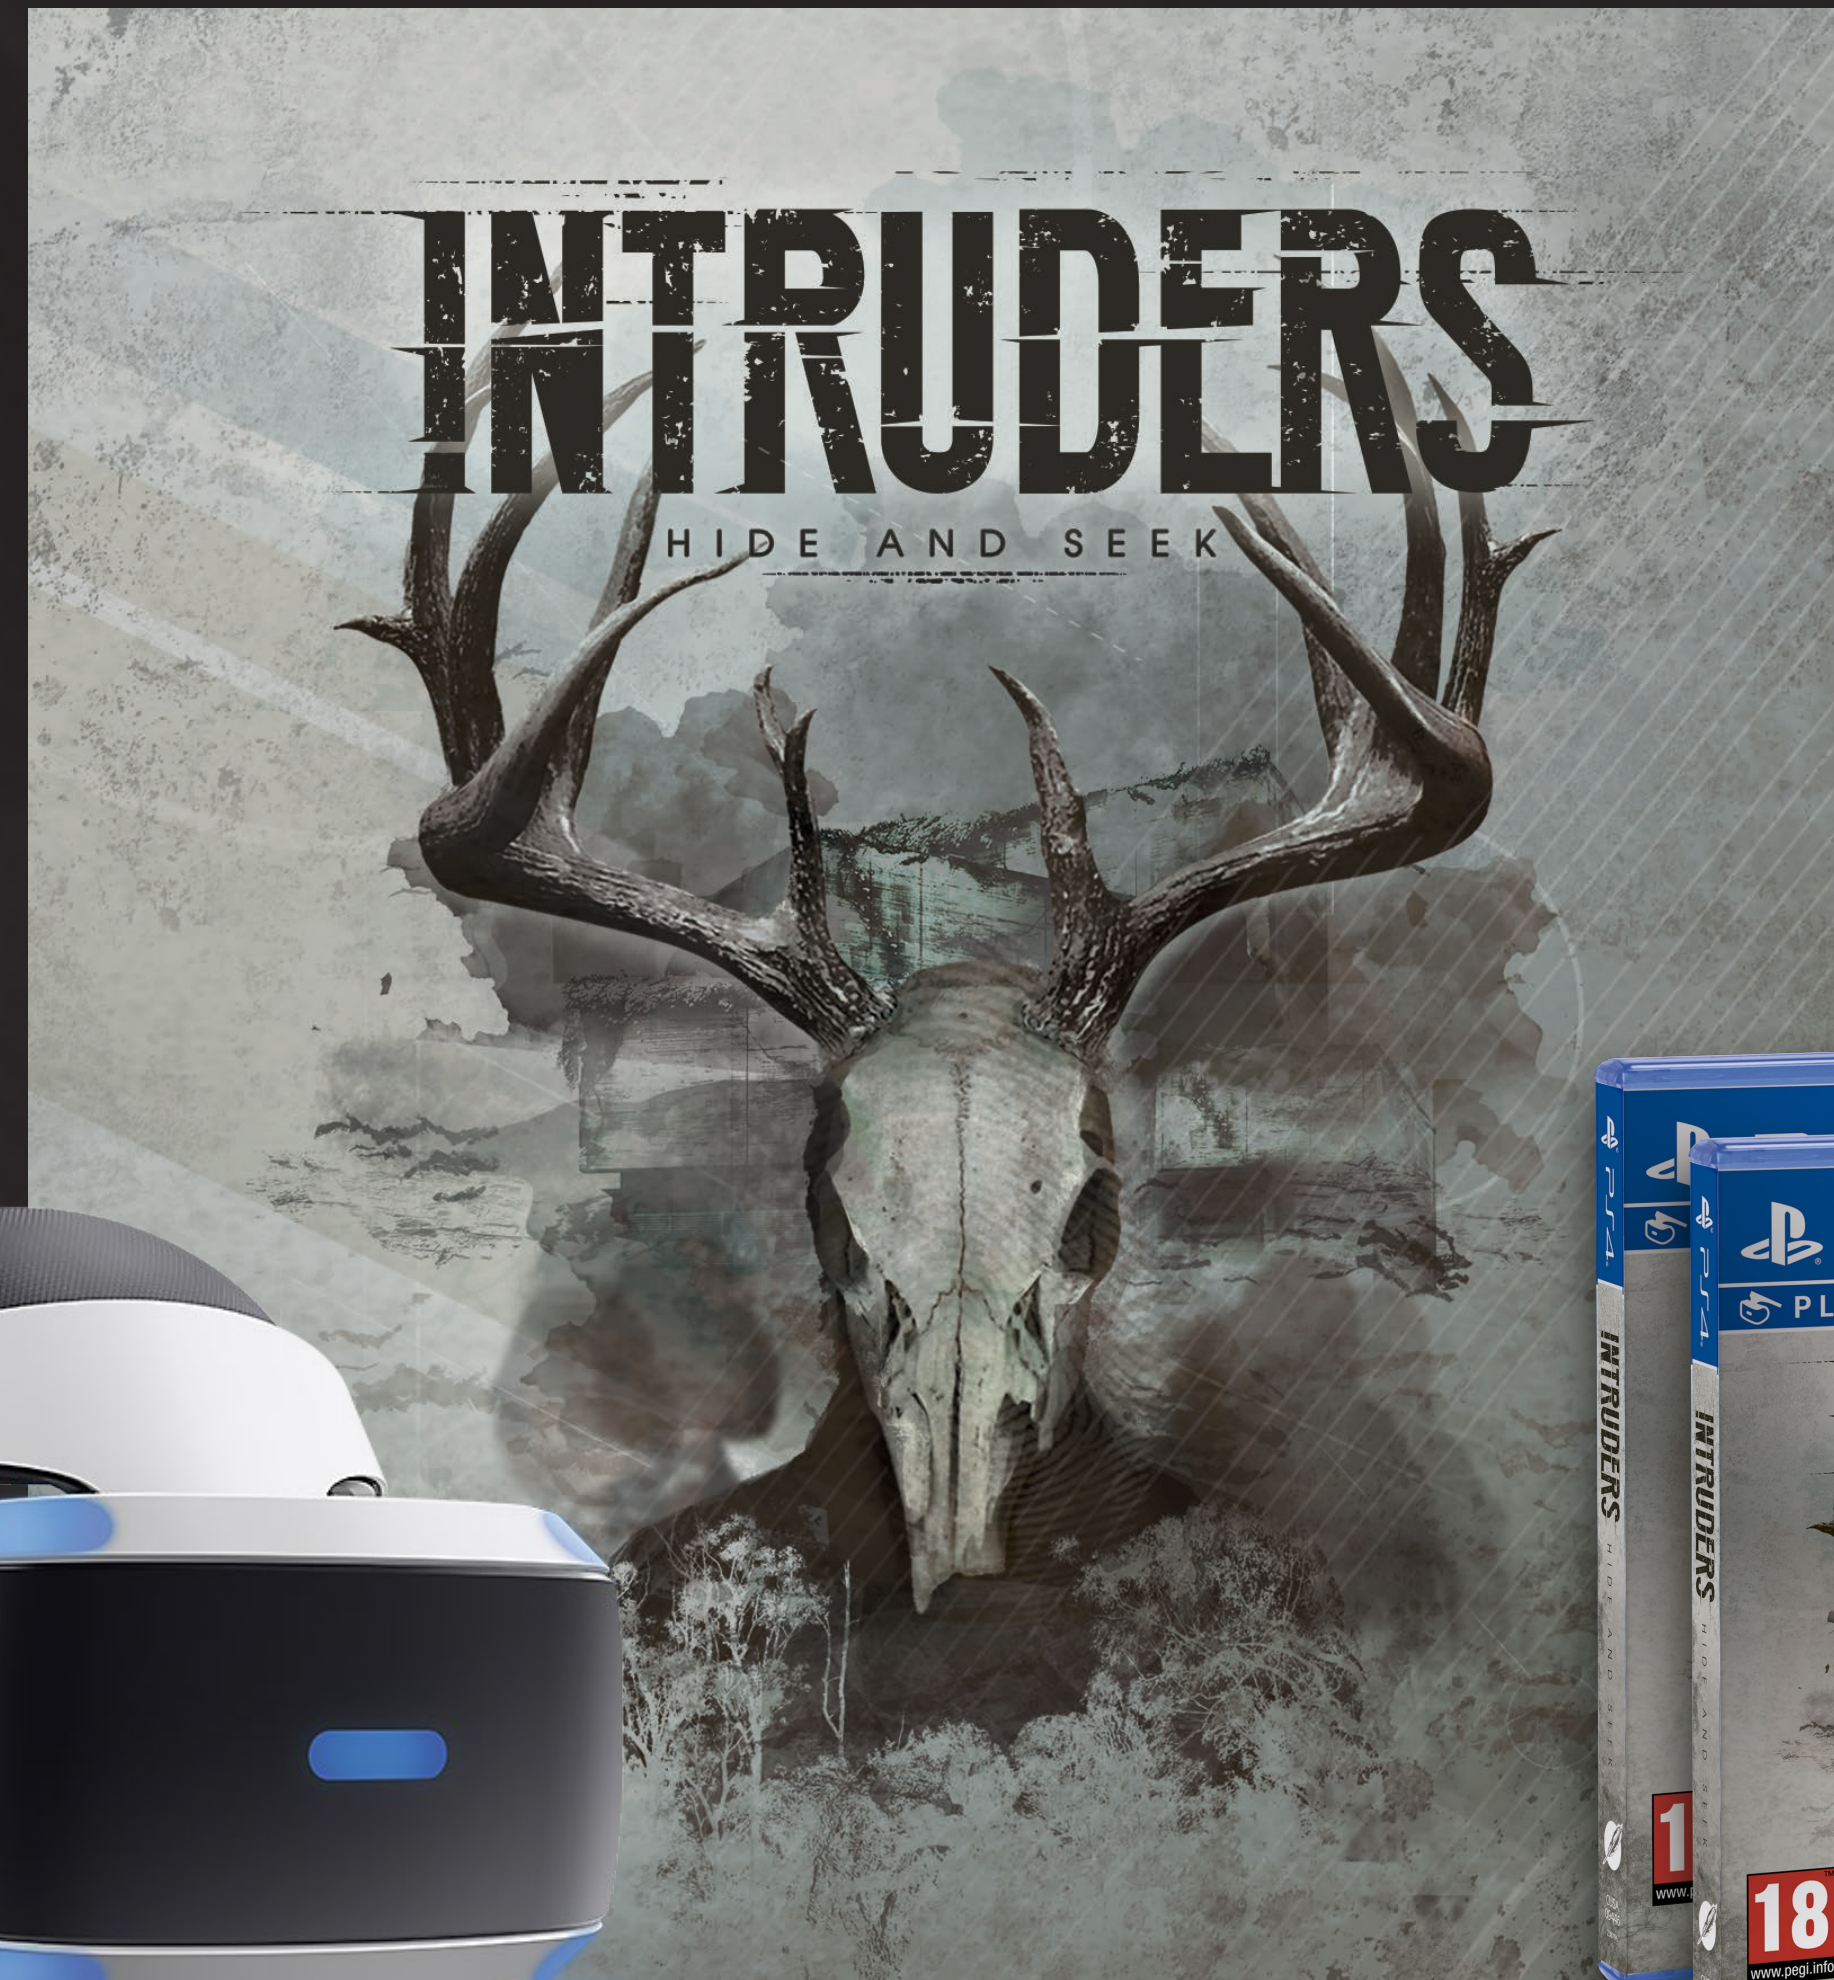

Intruders: Hide and Seek is a first-person stealth game, an intense thriller that combines the best psychological terror with the point of view of a helpless child.

In this game released in **PlayStation®VR, Oculus Rift, Windows Mixed Reality, SteamVR and HTC Vive**, you will become Ben, the eldest son of the Richter family. During a holiday in a secluded mountain home, you witness three dangerous intruders breaking into your home and kidnapping your parents.

With your parents held and your sister hidden, you are locked in the house with the kidnappers. You must find a way to save your family while discovering who the three intruders are and what their intentions are.

You can't run away or confront them. Your only hope is to... hide.

"Intruders" awards and **recognitions**
